

Titan Commences Trading in the U.S. on the OTCQB under symbol “TIMCF”

Vancouver, BC – September 8, 2022 – Titan Mining Corporation (TSX: TI) (OTCQB: TIMCF) (“Titan” or the “Company”) is pleased to announce that its common shares have been approved for trading on the OTCQB Venture Market effective today. The Company’s U.S. OTCQB listing will trade under the ticker symbol “TIMCF” while the Company’s primary Canadian Listing will continue to trade on the Toronto Stock Exchange under the symbol “TI”.

Don Taylor, President & CEO of Titan, commented, “Listing Titan on the OTCQB not only provides easier access for US institutions and retail investors, but it is also anticipated to introduce the Company to a larger audience, enhance liquidity and broaden the Company’s shareholder base.”

About the OTCQB

The OTCQB Venture Market offers early stage and developing companies the benefits of being publicly traded in the U.S. with lower cost and complexity than a U.S. exchange listing. To be eligible, companies must be current in their reporting and undergo an annual verification and management certification process. As a verified market with efficient access to U.S. investors, OTCQB helps companies build shareholder value with a goal of enhancing liquidity and achieving fair valuation. Cautionary Note Regarding Forward-Looking Information

Certain statements and information contained in this new release constitute “forward-looking statements”, and “forward-looking information” within the meaning of applicable securities laws (collectively, “forward-looking statements”). These statements appear in a number of places in this news release and include statements regarding our intent, or the beliefs or current expectations of our officers and directors, including the results of listing on the OTCQB. When used in this news release words such as “to be”, “will”, “planned”, “expected”, “potential”, and similar expressions are intended to identify these forward-looking statements. Although the Company believes that the expectations reflected in such forward-looking statements and/or information are reasonable, undue reliance should not be placed on forward-looking statements since the Company can give no assurance that such expectations will prove to be correct. These statements involve known and unknown risks, uncertainties and other factors that may cause actual results or events to vary materially from those anticipated in such forward-looking statements, including the risks, uncertainties and other factors identified in the Company’s periodic filings with Canadian securities regulators. Such forward-looking statements are based on various assumptions, including assumptions made with regard to the ability to advance exploration efforts at ESM; the results of such exploration efforts; the ability to secure adequate financing (as needed); the Company maintaining its current strategy and

objectives; and the Company's ability to achieve its growth objectives. While the Company considers these assumptions to be reasonable, based on information currently available, they may prove to be incorrect. Except as required by applicable law, we assume no obligation to update or to publicly announce the results of any change to any forward-looking statement contained herein to reflect actual results, future events or developments, changes in assumptions or changes in other factors affecting the forward-looking statements. If we update any one or more forward-looking statements, no inference should be drawn that we will make additional updates with respect to those or other forward-looking statements. You should not place undue importance on forward-looking statements and should not rely upon these statements as of any other date. All forward-looking statements contained in this news release are expressly qualified in their entirety by this cautionary statement.
